A note from our Doctors

Here at the Eye Centers of Northwest Ohio we have developed a multifaceted program to not only identify potential sight problems in your employees but also an affordable way to fit your employees with OSHA certified safety glasses to help reduce workplace related eye injuries.

On behalf of the Doctors at the Eye Centers of Northwest Ohio we look forward to working with you and your team.

Welcome to the

EYE CENTERS OF NORTHWEST OHIO

Opticians • Eye care • Surgery

Who are we?

Our Mission is Simple...

We are committed to providing you and your workforce with the highest quality vision care. Our goal is to create a lifetime of healthy eyes and excellent vision while giving you an atmosphere of uncompromisable service, value and friendliness. Our commitment to our patients as well as our community has been unwavering since we began in 1987.

In addition to the many local organizations our physicians are part of; we are also proud members of both the American Optometric Association and the American Academy of Ophthalmology.

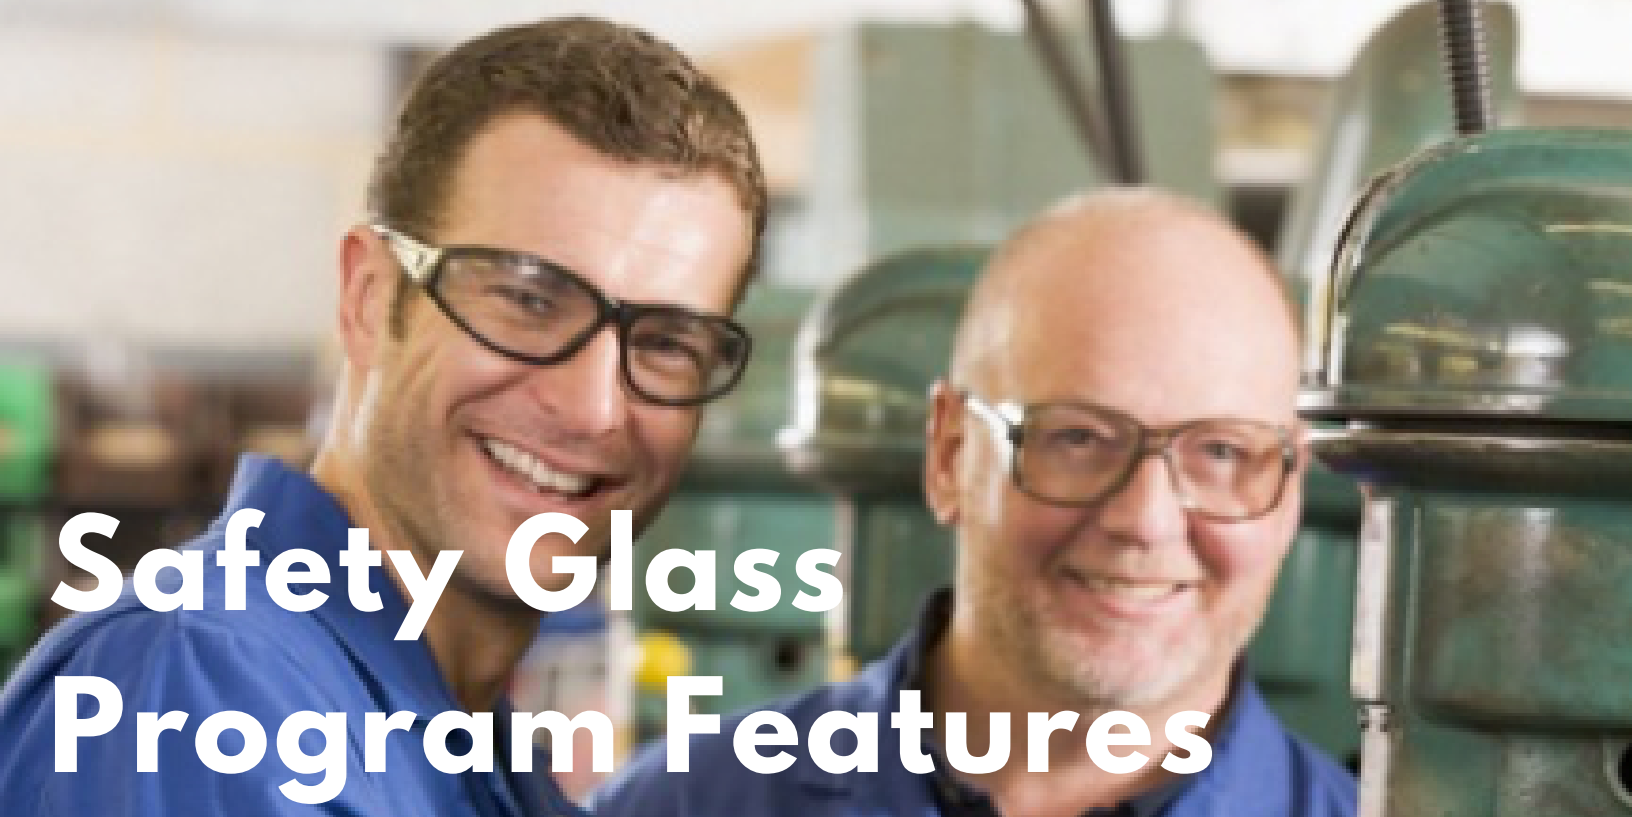

Why Choose the Eye Centers of Northwest Ohio?

- We have 5 doctors (1 M.D, 4 O.D's) available to take care of all your employees' needs.
- We perform a comprehensive eye examination, risk assessment and pressure check. After all, eye health is more than seeing 20/20.
- 24-hour emergency care for our patients.
- We offer an incredible value and frame selection

Safety Glass Program Features

All of our safety glasses include quality ANSI Industrial Frames. We have worked to expand our offering of frames and styles so your employees will have more to choose from. Names like Armourx, Titmus and OnGuard.

Our lenses and frames are impact resistant. All of our frames meet OSHA standards providing protection against hazards, are reasonably comfortable and fit snug without interference.

We have designed our program to address the needs of employers' who offer vision exams as part of their major medical insurance and for those who don't.

Safety Glasses Only

Prices are:

Single Vision	\$150
Bifocal	\$179
Trifocal	\$190
Progressive No Line Basic	\$285
Progressive No Line Premium	\$320

All Options at UCR

Safety Glasses With Exam

Your employee will see one of our highly experienced optometrists' who will do a detailed refraction. This refraction will provide the sharpest vision possible. A dilated eye exam will also be performed to detect any eye diseases.

Prices are:

Single Vision	\$210
Bifocal	\$239
Trifocal	\$250
Progressive No Line Basic	\$345
Progressive No Line Premium	\$380

Packages Include

- Expert Fitting by our Optical Staff
- Quality Inspection upon arrival. We will inspect the glasses, checking all points, verify the script to ensure they are exactly as prescribed.
- Polycarbonate lenses
- Eyeglass Case
- Detachable/Permanent Side Shields
- Unlimited adjustments during normal business hours

Additional Services

VISION SCREENING

This screening service is provided on-site. This is an excellent tool for determining your employees' ability to perform detailed tasks such as quality control, welding or other near tasks.

Our team will do:

- Near and distance visual acuity
- Peripheral vision
- Color blindness testing
- Depth perception
- Pressure Checks

*From \$30
per person*

Why our clients love us

"Dr. Rellinger is a great doctor, easy to talk with and she explained information clearly. Their office is very professional, has great staff and great service.

They were able to get me in for an emergency appointment very quickly. I was totally satisfied and would highly recommend them!"

- SHELLY LOW BIDDLE -

"I called the office after hours as an emergency. They got me right in and took great care of me. I will be going there for all my optical needs."

- TINA NORMAN SHERER -

"Dr. Smith is a great Dr. She took such good care of us. Her concern for patients is sincere. The staff at the eye center is great. If anyone out there has an eye for quality care you don't need to travel out of town."

- GLENDA SMITH -

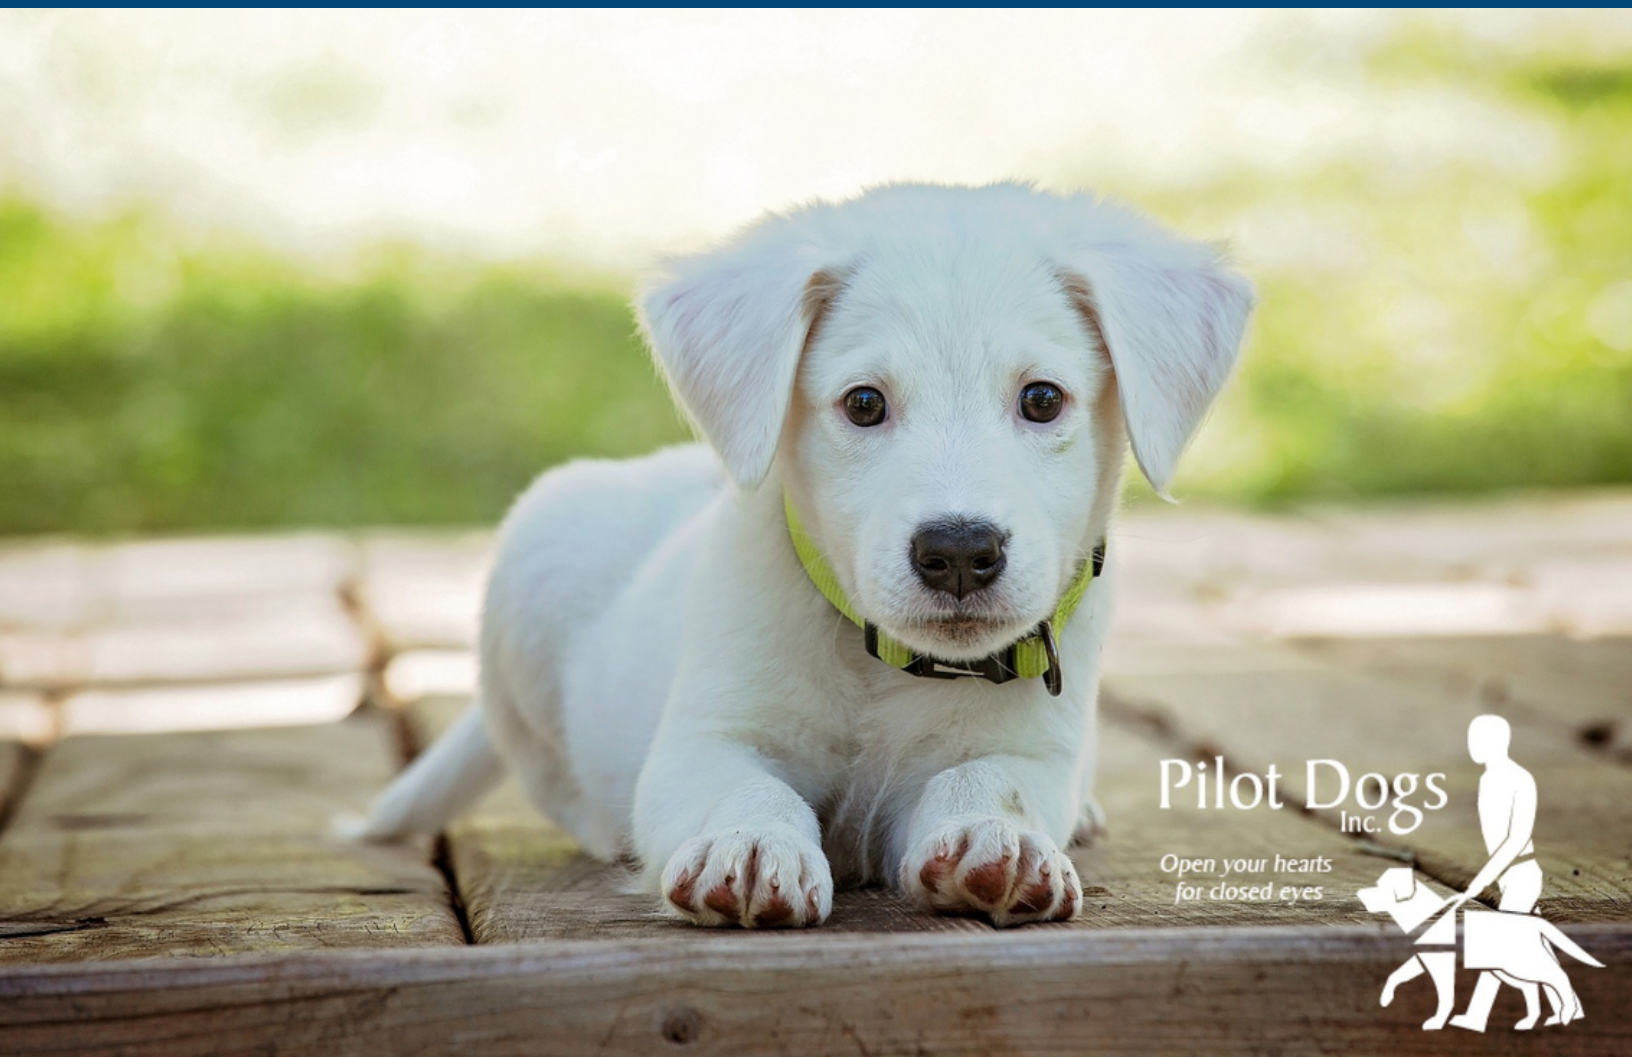

"Everything was fast and friendly. My daughter and I enjoyed our visit. Doctor DeRodes was knowledgeable and genuinely concerned about our eyes!"

- SHAE MARIE PHILLIPS -
